## International Post and the GST

- Unless indicated otherwise, International Post charges are GST-free.
- A range of specially designed GST-free stamps is available for international mail.
- If you use a postage meter to apply postage to international mail, you are required to apply postage at 10% above the published rate to offset input credits you may claim.
- If you wish to use domestic stamps on international mail, then you are required to affix postage at 10% above the published rate.
