

Christmas 2022

Last lodgement dates for International Airmail

Our recommended last lodgement dates for International Christmas deliveries vary depending on destination and the chosen delivery service. Send as early as you can to give your deliveries the best chance of arriving by Christmas. The dates provided below are for items posted from metro locations. If you're sending from outside a metro area, we recommend posting even earlier. Please note: Items lodged after these dates will be delivered as quickly as possible, but they may not arrive until after Christmas.

As always, we remain committed to keeping you updated on any external impacts that may affect our services.
