

INFORMATION FROM THE NSW EMERGENCY SERVICES LEVY INSURANCE MONITOR

Information

The Emergency Services Levy (“ESL”) is a charge that is added by the insurance company to the cost of your property insurance to recover its required contribution to emergency services agencies in NSW. The ESL paid with any premium on a policy is used to fund emergency services in NSW in the financial year in which the policy commences.

The Insurance Monitor

The Insurance Monitor was established in June 2016 as an independent body. One of its functions is to monitor the prices for the issue of regulated contracts of insurance. Professor Allan Fels AO and Professor David Cousins AM have been appointed by the NSW Government as the Emergency Services Levy Insurance Monitor and Deputy Monitor, respectively.
