

MyPost Business

Zone 1 coverage has expanded to benefit you.*

There are some exciting changes happening to make sending with MyPost Business even smarter.

One of the most rewarding changes for customers is the update we've made to Zone 1 coverage – more areas will now be eligible for Zone 1 savings.

How does it work?

You'll now get Zone 1 savings when you send parcels from a Major Area to your state's Capital City, as highlighted in the table to the right.

Here's an example

When sending from Geelong to Melbourne, you will now receive Zone 1 savings. This would also apply if you're sending from Margaret River to Perth.

What's staying the same?

Zone 2 will remain unchanged when sending from a Capital City to a Major Area.

The new domestic parcel charging zones

Use the list of postcodes on page 2 to determine your sending 'from' and 'to' zones. Then use the table below to see which zone savings will apply to your parcel.

The zone classification applies to MyPost Business Parcels up to 5kg.

		Sending TO				
		 Capital City	 Major Areas	 Rural		
Sending FROM	 Capital City	ZONE 1 (Same)	ZONE 2 (Other)	ZONE 2		ZONE 3
	 Major Areas	ZONE 1 (Same state)	ZONE 2 (Other)	ZONE 1 (Same)	ZONE 2 (Other)	ZONE 3
	 Rural	ZONE 2		ZONE 2		ZONE 3

* MyPost Business savings band allocation will transition on 4 July 2022 from volume-based to spend-based calculations. Your savings band will be based on your spend on products and services over specific periods using your MyPost Business account, with certain exceptions. Savings are calculated on [standard postage rates](#), and apply to MyPost Business products with certain exceptions. For more information on the spend requirements of each savings band read the [MyPost Business Postage Rates Guide](#) and for a full list of MyPost Business products including the lists of exceptions, read the [MyPost Business product list](#).
