

Product safety recall

Light Up Spaghetti Ball

IsAlbi

Batch Code: 31359

Reason the product is recalled

During play the ball can break and release the light-up module, creating small parts.

The hazards to consumers

There is a risk of choking if young children gain access to a small part and put it in their mouth.

What consumers should do

1. Stop using the product immediately and place out of reach of children.
2. Return the product to the point of purchase to obtain a refund.
